

LANGDON HILLS MEDICAL CENTRE
INAUGRAL PATIENT PARTICIPATION GROUP MEETING

19TH OCTOBER 2011

Present: Dr. Salako
David Thompson
Marguerite Cutting
Diane Osborn
Julie Coker
Geoffrey Parker
Ann Parker
David Coleman
Pamela Coleman
Christine Dawson
Joyce Beecham

Dr. Salako welcomed everyone to the meeting.

David Thompson explained the purpose of the Patient Participation Group and his role in the Clinical Commissioning Group. He also explained the goals of the groups.

Some of the patients raised concerns regarding their own problems they had encountered under the care of the Hospital.

Julie Coker raised her concerns over not having enough information on Dementia whilst looking after her husband. David informed the group that a website was being set up and that it could perhaps contain a link to dementia information. Julie was keen to be involved in this project.

Queries were raised as to how the budget would be allocated and David is to produce a flow chart for the group to see at the next meeting.

The next meeting was arranged for Friday 25th November 2011.
